

BUILD A BETTER™ WORLD

June 5th to July 21st

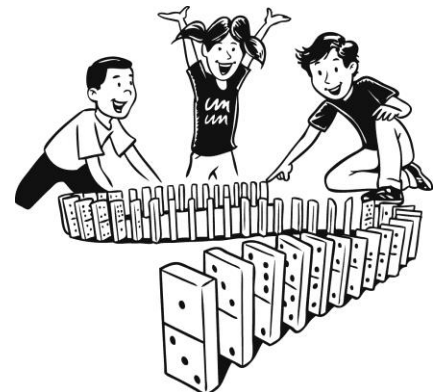

**Mercer County District Library
2017 Summer Reading Program**

Join us this summer as we build legos, sandwiches, bridges, towers and work together as a team at The Mercer County District Library! You can sign-up for the Reading Program beginning on Monday, May 22nd. We'll kick off the program Friday, June 9th @ 10am with Ronald McDonald.

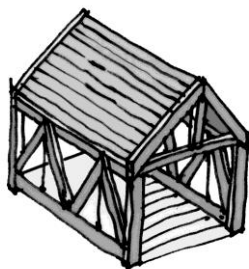

We will be recording **minutes** instead of books again this year. For every **3 hours** read, children ages **0-6** will get a star hanging from the ceiling. Each additional 3 hours read, children ages 0-6 will get an entry to win the GRAND PRIZE, a bicycle. For every **5 hours** read for ages **7-12**, children will get a star hanging from the ceiling. Each additional 5 hours read for ages 7-12, children will get an entry to win the GRAND PRIZE, a bicycle. Make sure to turn in reading logs when completed. The last day to turn in your **logs is Saturday, July 15th**.

Stop by the library to participate in games & contests throughout the summer. Be sure to enter the annual summer reading program coloring contest, where winners will receive prizes-- including T-shirts for 1st place! The final day to turn in your coloring contest page is **Monday, July 17th by 6pm**.

The Reading Program Party will be held on **Friday, July 21st**. The celebration will begin at **10:00 am and continue until 11:30 am**. Zak Morgan performs over 200 shows a year, using music, magic, theater and comedy to encourage children to read books and exercise their imaginations. Refreshments will be provided.
