

2024 SUMMER READING SCAVENGER HUNT

Start at either entrance to the Marion Bike Path (at the Marion Twp. Park **or** in the Industrial Park on Booster Drive). Look for countries that are on signs at the edge of the bike path. **DO NOT REMOVE THE SIGNS**. Keep track of the countries you find and turn them in at the library for extra points. You can find all twelve countries or if you only want to do six at a time that's okay too. You **DO NOT** need to get off the bike path to see the countries. All ages are welcome to participate. Stop by Winans Chocolates + Coffees for a refreshing drink after you're done. Happy Hunting!
